

ALA Friends -

My name is **Dennis Lepore** and I request your vote so that we can continue the progress ALA has made in the past few years, but I also want to help the Association where I can be of value. I am endorsed by current sitting board members: **Ralph Wagner, Brian Hall and Gary Clifford.**

I have been a full-time resident of the Lake Arrowhead area for over **48 years**. My business is as a California State Licensed General Engineering Contractor – Class A, as well as other classifications, since 1978. Most importantly, I have enjoyed many years of boating, skiing, fishing, walking our beautiful trails, and living the Lake Arrowhead lifestyle with my family and friends.

Since I am passionate about serving Lake Arrowhead, I have been a member of the ALA Shoreline Improvements Committee and the Lake Operations and Maintenance Committee over the last nine years. Previous to this, I was actively involved in the construction of many projects on ALA property for private members and entities. I also orchestrated work with ALA for many large capital improvement projects, such as the Marina Launch Ramp, seawalls and foundation buttressing, concrete stairs from the upper parking lot, dredging of many bays and other projects around the lake that are too numerous to list.

I have: 1) a long history in Lake Arrowhead, 2) an understanding of how and why the Association was created, 3) hands-on project experience, and 4) experience with issues and requests brought to the committees on which I served. **This makes me uniquely qualified to represent YOU!** I have gained an understanding of what does and what doesn't work in the best interest of the membership. I will treat everyone fairly and equitably in the true spirit of the creation of the ALA.

My specific **goals** are: 1) ensure that ALA invests in our assets that are suffering from deferred maintenance so that we can have a first-class association, 2) continue working on a long-term plan to restore Grass Valley Lake, and 3) simplify and expedite the permitting process for member improvements. Furthermore, as a practice in my business, I do not spend money wastefully but I also do not cut corners. When you elect me, I will ensure that funds will be used judiciously.

I am also endorsed by Pat Morris, Clark Hahne, Ianita Wagner, Steve Keefe, and many others!

Thank you in advance for your vote and support.

Sincerely,

- **Dennis Lepore / 909.721.0606**
