The Transferor agrees that the above Dock/Slip/Right and property information is correct. It is understood that while the Transferor is obligated to inform the Transferee of the status of said Dock/Slip/Right (physical conditions, applicable fees, property taxes, etc.) the Transferee will be held responsible for all fees due (transfer fees, recording fees and any applicable ALA membership fees including all past due fees and assessments) once the transfer process has begun, unless other arrangements are made.

If the residential property is held in a Trust, LLC, or LP, please supply the documentation establishing who the Trustee(s), or Authorized Signer(s), is.
